The first \$500. for Fun Soccer Scholarship fund was received from Sun Power Solar for a sale in Porterville. Karl gave the floor to Michael Cash. Michael requested the leagues to give an estimate of how many adjustable goals they might be interested in. Approximate price is \$1500. for a full set of the large goal and \$400. for the small goal, which includes the net, bag and stakes. The leagues will get the 30% discount if ordered by Aug. 19.

TOP SOCCER: No report

D7PP: Diego is back! Brackets are done and the schedule will be up. Any conflicts must be reported by August 17. Coach's meetings will be held in Visalia on the 16th of Aug. and on the 17th at the Clovis Bingo Hall. The last playing date, Nov. 19th, will be for make up games if needed. Coaches cannot contact Diego, only the Age Group Commissioner. The scheduler will remain unknown. Diego would like to have some of the tournaments come back. There will be no games scheduled the last weekend of October, Metro Halloween tournament weekend. John explained a few changes. No running the score up, many ways to avoid that, must supply a linesman when requested, and please do not complain about the fields.
