**REPORTS**

**REGISTRAR:** Catherine stated that we were up to 15,108 which is 70%. We have 339 coaches in limbo, some due to the 9,000 duplicate records in the system. We have problems with the Live Scans. Some leagues haven't done any, some have done some but no one has done them all. If you have lied on a 1628 previously, you can be suspended for a year. No scan, no practice, no games. We will probably have a new system next year.

**TREASURER:** No report

**CUPS:** No report

**REFEREES:** The last referee course will be in Sanger this weekend. Reminder that the deadline to renew 2013 license is October 1. No renewal, cannot ref. Pat had submitted copies of the Referee Academy flier in everyone's mailbox. The master list and who should get one was discussed. There are problems with some assigners trying to use referees that are not in their area. There are some games being played that are not on the schedule. He stated that if a referee does not have a 2013-2014 badge, he/she will not get paid. He is asking the state to have their own license for recreational games. Reminder that you must use only one or three refs, no two man system.

**COACHING:** Sal submitted a written report that he requested to be given to all coaches. If needed, John can reclassify a team.

**ODP:** No report

**TOP SOCCER:** No report.

**RECREATION:** No report

**D7PP:** Some games went well, but there was a problem with the game cards. Some were not done properly. Diego showed an example of an improper game card. He stated that you cannot use a sticker, it must be a printed game card from Got Soccer. Some teams did not have their paperwork.

**COMMISSIONER'S REPORT:** John reported on happenings at the State meeting. The CYSA BOD voted to approve a new fee structure for registration. There will be four levels. For recreation U-8 and below \$8.50, recreation U-9 and above will be \$10.50, competitive U-11 and below \$14.50, competitive U-12 and above \$18.50. The new structure should save leagues a lot of money. A suggestion was made that we should pay the 75% for registration and hold the balance. CYSA is still reviewing the Constitution and By Laws. They also cut any money for the District Commissioners to run the Districts out of the budget. There was another discussion on Live Scans. Referees should not be used unless they are licensed for the 2013 year. John is working with Mick Walker for CNRA to put on a short course so referees who lapsed can recertify. Discussion was held on religious items that have to be worn by children on the soccer field. Red card reports will be e-mailed out by Monday. Most are for violent conduct.
