Live Scan Fingerprinting On-Site Needs Assessment

Cal North League Presidents,

To best serve the needs of your clubs, Capital Live Scan is requesting the following information be emailed to soccer@capitalivescan.com.

1. Number of clubs in your league.
2. Number of coaches/assistant coaches/volunteers that were on your rosters last year.
3. If your league or clubs are currently live scan fingerprinting your coaches/assistant coaches/volunteers that were on your rosters last year. Provide a list of names those clubs if not required by the league.
4. Dates of any coaches meetings already scheduled.
5. Dates your league/clubs want to schedule live scan fingerprinting.
6. Events that require immediate need. Traveling coaches, etc. We will try to accommodate these requests on a case by case basis.

It is my goal to accommodate as many of your league/clubs specific calendared events. As you are aware, this is an enormous undertaking in a short time frame. It is very important that the information requested from you is gathered quickly. We are in the processes of scheduling on-site live scan fingerprinting sessions now.

If you have questions about on site live scan fingerprinting sessions, please send an email to the above email address. We will respond to all emails within 24 hours. You can also call (877)888-8802,ext 6. Please be advised, we will try to answer messages within 24 hours. Email is the best way to get the quickest response.

Thank you in advance
Jeff Schweig
