REPORTS

REGISTRAR: I receive phone calls and when I call back, no one answers. The easiest thing is to send me an email. I will get back to you as soon as possible.

TREASURER: We have not yet received the results of the last audit.

CUPS: No report

RECREATION: See coaching report.

ODP: No Report

COACHING: Karl and Mike held a joint meeting which went quite well. There are some new numbers on the coaching apps, but they won't show until the coach applies to coach.

D7PP: Diego stated that we are right on track. We have some entries but need a few more. CCSL is filling up. If you want to enter, apply quickly. There are no added fees for entering.

REFEREES: You need to apply to CNRA on-line to referee. The field session is now an 'in person' session. You need to apply on-line to host, need 25-30 for the course and must have a centralized location. Cost to host is \$300. Courses are already signed up into late August.

COMMISSIONER: There seems to be a problem with District directives. When a league receives a notice to cancel games because of heat or bad air, John asked that they say "John said", cancel the games and put it on his head. John listed all of the items that are in the league's mailboxes. New information has been sent out for the new Got Sport

Registration system that will be used for the 2022/2023 season. Training sessions will be set up later. CYSA is having their first in-person meeting in August and proposes that the next District meeting be in-person on August 11, 2021. Our first jamboree in Cutler was cancelled due to the excessive heat. Some leagues are having play days and mini events. Yes, we have started to play. CYSA is in the process of moving the office from Pleasanton to Sacramento.

OLD BUSINESS: Make sure you have updated your D & O Ins. and applied for your field usage certs. We are getting a list of monies owed to CYSA. The leagues need to clear this immediately.

NEW BUSINESS: Clovis Crossfire President requested a clarification of League boundaries and fields. John included a footnote on fields and stated that policies on the subject will be sent out.

GOOD OF THE GAME:

There being no further discussion, meeting was adjourned at 8:26 P.M.

Respectfully submitted,

Gladys Olsen
Secretary
