**MEMBERS EXCUSED:** Asst. Commissioner, Coaching, Referees, Registrar, Rules &  
Revisions

**MEMBERS ABSENT:** Leagues 3,8,10,13,17,20,24,26

**GUESTS:** Tom Metry

The District Commissioner brought the meeting to order an 7:35 P.M.

John explained that after reports from the Treasurer and Recreation, he will pull four league names from the hat and ask them to report on the activities within their league.

**MINUTES:** *M/S/C To approve the minutes of August 11, 2021*

Unanimous

**TREASURER:** August 31 is the end of the CYSA fiscal year. We still have not received results of our last audit. We will have yearly reports at the next meeting.

**RECREATION:** Karl asked how many attendees are still coaching and asked what system they use on the field, ie.4-4-2, 4-3-3, etc. He then asked, "what are the two positions on the field"? Answer, goalie and field players. U-6 and U-8 coach can have 32 players, 1 coach and 4 assistants and use parents as helpers. Hoping to have live scans and tests online. Discussion was held on coaching.

John stated that referees go to CNRA to register. Any problems, check with Pat.

John pulled Lemoore YSL out of the hat. Response, trying to get everything set up. They invited Fireman and Police to the field to get good repore with the city.

Next league – East Fresno: They are using new technology for registration, and it is not going well. They have a good administration now and are staying positive

Next league—Mountain: After they went online, they lost a lot of their contacts. Trying to get started again.

Next league—Southeast Fresno: In May and June, they held a summer camp. Their numbers are coming up.

John explained that coach's live scans, Safe Sport, etc. are Federal programs. We must follow the guidelines.

The D7PP had one weekend of play. No problems

Any problems with live scans, contact Angelica at the CYSA office.

Registration problems, call Shirley.

There being no further business, the meeting was adjourned at 8:44.

Respectfully submitted,  
Gladys Olsen, Secretary
