RECREATION: A written report was submitted. Karl attended a soccer practice. His observation was that there was no control of the players and coaches were not oriented how to get respect. We put the coach through hoops to get them certified but don't teach them the basics of coaching. Well said.

REFEREES: Excused, attending another meeting.

D7PP: Going well. Coach's registrations are a big problem, need training. Anne has been working hard behind the scenes, good job. Diego needs a leader for Area 4. A discussion was held on the problems with refs not allowing players to play because they are not listed on the game day roster but are on the original roster and have a pass available. After discussion, the following motion was made.

M/S/C: DUE TO ISSUES WITH GOT SPORT ROSTERS AND GAME CARD ROSTERS, IF A PLAYER TURNS UP AT THE FIELD WITH THE ROSTER AND THE PASS PROVING THEY ARE A PART OF THE TEAM THEN THE PLAYER MAY BE HANDWRITTEN ON THE GAME CARD. THE ROSTER AND PASS MUST BE PRESENT. NO PASS, NO PLAY.

An explanation of a new event, Futsol 5 aside was included in the Commissioner's report. He asked for suggestions for Spring League.
